

OFFBEAT HOTEL CONCEPTS & LO-FI LUXURY.

TRUE LOVE  
WILL FIND YOU  
IN THE END.

LINDENBERG hires HOSTS in FRANKFURT AM MAIN

FRONT OFFICE AGENT with  
FLEXIBLE WORKING TIME ARRANGEMENTS

**LINDENBERG** was founded in 2012. Started with the vision of a small communal living concept, the company has since been pursuing the dream of exceptional hotel experiences in unique places and environments. With five hotel projects now open, **LINDENBERG** is not only establishing sustainable and plant-based concepts: social and ecological responsibility is an obligatory part of our daily lives.

**NEW HOSPITALITY APPROACH** No barrier between guest, host and collective. We are an internationally growing company in the urbanity of Frankfurt, on a black sand beach in the middle of the Balinese jungle and soon on a small island in Norway. Unique guest experiences, offbeat hotel concepts and our own **LINDENBERG** team are at the heart of everything we do.

**MINDSET** Contemporary living culture, a strong sense of community, sustainability, culture & design are not our only important values. Self-created programmes and strong partnerships are strongly lived through our own teams. Be it the **NGO PFEFFERMINZGREEN** running exceptional social programmes in Sierra Leone and Ethiopia or the **LOST BUNCH** supporting young adults in Indonesia through surfing and other perspectives.

The **LINDENBERG COLLECTIVE** hires!  
You are friendly, open and with your communication skills you convince every complainer to become a guest? Maybe you are a colourful butterfly or have been a comedian before? You try to create a better world and always have an open ear for feedback and improvements?  
Perfect, we are looking for you.
